### **Auto Insurance**

Automobile insurance is one of the most common of all insurances, and consequently, its importance is often overlooked in terms of making sure the appropriate coverage is in place. We'll take the time to understand your situation before providing you with solutions. Cheap doesn't usually mean good, but good doesn't have to be expensive. Our approach is to obtain the right cover-age for the right price on your behalf.

### **Boat Insurance**

Often categorized as marine craft, you'd really miss your boat if something happened and you couldn't use it for a whole season. And let's face it, there are some inherent risks in water travel. There is insurance available to protect you from the financial impact of on-water accidents, and we're just the agency to find you the right coverage.

### **Commercial/Business Insurance**

Regardless of your business size, you need to protect your business assets, personal assets, stake-holders, and livelihood. Business insurance can get complicated and we will serve as your trusted advisor in securing protection as needed for all components of your company: liability, business auto, workers compensation, and more.

### **Health Plans and Insurance**

These days health plans and can be highly customized to meet the varying needs of you, your employees, or your family. Let one of our licensed professionals guide you through this process.

### **Homeowners Insurance**

It's true – you can't borrow for a house without having insurance in place. But that's not the most important reason for homeowners insurance. Security for your family, peace of mind for you and your spouse, and safeguarding what you value are all more important reasons to have homeowners insurance. There is much to consider when it comes to homeowners insurance, and we will guide you through the process of making sure you have the right coverage. Protect what is yours.

### **Life Insurance**

Life is complicated... and so is Life Insurance. At <X>, we work hard to explain the options and help you develop a coverage strategy that is right for you and your loved ones. Let's discuss your needs today.

### **Motorcycle Insurance**

Ride a bike? You're probably passionate about it if you do. Can you imagine if you couldn't ride it because your neighbor backed into it and HE wasn't insured? Let us help you protect yourself against uninsured drivers and other potential hazards to bikers. Then you can get back on the road.

### **Personal Insurance**

Most people have more valuable possessions than they realize. Items like jewelry, cameras, sporting equipment, musical instruments, computer equipment and other collectibles add up quickly. A personal insurance policy can provide the additional coverage needed to ensure your possessions are protected. Let us tailor insurance coverage for you.

### **Recreational Vehicles**

We offer coverage for all of your recreational vehicle needs, campers, boats, trailers, and more. Let us design the coverage, and you take care of the fun.

### **Renters Insurance**

Rental insurance covers the property in your rental house or apartment. It can also provide liability coverage if you accidentally injure someone or damage their property. In many cases, coverage can be arranged for less than a dollar a day.

### **Umbrella Insurance**

There are times (and reasons) that homeowners and automobile policies simply will not provide adequate coverage for the policyholder. In those situations, an Umbrella Policy can go a long way toward providing the additional coverage needed to protect your assets (and your income). We'll gladly provide an analysis of your situation to determine if an umbrella policy is right for you (and if it is, you definitely should obtain one).

### **Workers Compensation**

We offer complete insurance coverage for your business, including insurance for your employees. Workers' compensation insurance provides wage replacement and medical benefits to employees who are injured in the course of employment. Your business deserves personalized attention, not more red tape. Let us help you keep your operation running smoothly.
